

Your **Brilliantly** SMART

2-in-1 undercounter dishwashing solution

Small but does it all.
First time, every time.

SMARTPOWER™ Mini delivers all the brilliance of **SMARTPOWER™** for smaller spaces. Designed to transform undercounter dishwashers with a safe and efficient off-the-floor approach, our compact 2-in-1 pressed detergent and rinse aid solution ensures unparalleled cleanliness first time, every time.

Meet the ultimate space-saving solution for your undercounter machine—compact, efficient and powerful.

Small and smart

With a unique concentrated solid chemistry dosed inside the dishwasher, no external tubing is required, freeing up valuable space next to the machine. Even better, the lightweight, recyclable block packaging also reduces plastic waste by up to **93%**.

Small and simple

With a unique concentrated solid chemistry dosed inside the dishwasher, no external tubing is required, freeing up valuable space next to the machine. Even better, the lightweight, recyclable block packaging also reduces plastic waste by up to **93%**.

Small and safe

By moving away from liquid chemistry and standard dosing device procedures, it significantly reduces slip and trip hazards and prevents any chemistry mix-ups. Lightweight blocks also improve handling from an ergonomic perspective.

Small and sustainable

Formulated with Ecolabel certification in mind, it is free from chlorine, phosphate, phosphonate, NTA, and EDTA. Its recyclable design and minimised packaging waste pave the way for a greener future.

Your **Brilliantly** SMART

2-in-1 undercounter dishwashing solution

Mini but mighty.

Experience greater peace of mind with state-of-the-art dispensers, designed for effortless, tool-free installation that safeguards your machine's integrity. Plus, our mini but mighty blocks deliver up to 150 cycles of cleaning performance with every refill, making your operations smoother than ever.

One case of 24 blocks
delivers up to

1200
washes

Frees up

100%

of space next to machine and

81%

on shelf storage

0.75g

recyclable packaging,
reduces plastic waste
by up to

93%

Because every **brilliantly** **clean finish** starts with **SMARTPOWER™**

As an Ecolab customer, not only can you rely on us for the ultimate dishwashing solution, but you can also be certain of our innovative science and technology to create a brighter, cleaner, and more sustainable future.

A more certain tomorrow,
today, together.
